

## Fiserv Supplier Code of Conduct Attestation

At Fiserv, we understand that our suppliers play a critical role in our short-term and long-term success. We also understand the importance of establishing policies and guidelines to help guide our business relationships. Fiserv has published a Code of Conduct to serve as that guide for our associates and for those companies that we do business with. We ask that all of our suppliers read, understand and acknowledge their role as it relates to our Code of Conduct. The Fiserv Code of Conduct is located on our website and can be found by clicking [here](#).
