### Virtual Branch®: YourSite

#### What If You Could Enhance Your Online Presence With Professional Web Design and Hosting?

Your website is a reflection of your credit union. And with so many consumers doing the majority of their banking online, you want to make sure your site makes a positive first impression on your members. Virtual Branch: YourSite from Fiserv can help you design a site that makes a great first impression.

Fiserv is driving innovation in Payments, Processing Services, Risk & Compliance, Customer & Channel Management and Insights & Optimization, and leading the transformation of financial services technology to help credit unions gather the way financial services are delivered. Visit [www.fiserv.com](http://www.fiserv.com) for a look at what's next, right now.

Whether you want to create a sophisticated look-and-feel, provide an inviting and personalized portal, position your credit union as a service leader, or all of the above, we can help you project your credit union's desired image through your Web presence. We also include hosting services that help ensure your site is available to members whenever and wherever they need access.

#### YourSite Benefits:

- Experienced designers create a customized look and feel
- Extensive integration allows all of your services to be connected via a single user experience
- Premium hosting capabilities made affordable to ensure the availability of your Web services with minimal "downtime"
- Secure, reliable technical services free your staff to focus on your members
- A seamless look-and-feel between your website and Virtual Branch suite delivers a consistent and memorable online service experience

#### Why Choose Virtual Branch?

Core integration. Seamless display. Technology for today and tomorrow. Virtual Branch brings you the most robust e-commerce platform and provides a consistent, memorable end-to-end user experience that goes way beyond home banking.

If your credit union is ready to implement a competitive Internet banking solution, or simply expand and elevate your existing online portfolio, Virtual Branch can deliver YourSite and other compelling features and functions that offer members the most comprehensive service connections to your credit union.
