#### No Small Growth

Small business banking is a historically underserved market with huge growth opportunities for financial institutions. A typical small business carries higher balances, utilizes more services and is willing to pay for services to streamline their business. Bottom line, small businesses increase your profitability.

#### Small Business Solutions

CheckFree Small Business offers financial institutions a way to harness the small business market with an integrated and comprehensive online accounts payable system in a proven quick-to-market solution. Built upon the industry leading Fiserv electronic bill payment platform, CheckFree Small Business is a seamlessly integrated, fully brandable extension of the online banking experience.

#### Key Benefits

- A one-stop bill pay dashboard
- Industry leading e-bills, connecting businesses to hundreds of billers
- Automatic payment options
- Accounts payable invoicing to pay multiple invoices and include details with their payments
- Tiered authority levels, so owners can delegate tasks without losing control over their accounts

#### Great for Your Business

Combining the features that small businesses want with the tools that financial institutions need to attract, and retain them, CheckFree Small Business provides a winning solution to getting business done.
