Streamlining Business-to-Consumer Payments With Digital Disbursements

There’s plenty of money in motion. But payments sometimes leave a paper trail.

And checks can be pricey.

The average processing cost is **$5.91**

Plus, checks are magnets for fraudulent activity.

Consumers prefer digital payments.

- 11% of customers have lost money because they forgot to cash or deposit a check
- 71% of customers prefer digital because they get their money faster
- 77% of millennials prefer digital payments over checks

Benefits of Digital Disbursements include...

- Instant settlement
- Multi-party approval
- Flexible payout options

Businesses are on board.

Some of the reasons businesses prefer using Digital Disbursements include:

1. Speed of payment
2. Flexibility in digital payment options
3. Cost of service
4. Ease of implementation
