

ATM Managed Services

Outsource the Ownership, Management and Operation of Your ATM Program

ATM Managed Services from Fiserv streamlines operations, and provides control and visibility into the cost, status and reliability of your ATM fleet.

Your cardholders want a flawless ATM experience. Delivering a reliable, wide-reaching ATM network can be complex and time-consuming.

Realize the full potential of your ATM program with comprehensive, scalable ATM solutions that allow you to delegate your ATM business to a proven ATM channel partner. ATM Managed Services provide robust support that help you achieve a more efficient, secure and profitable ATM program – enabling you to devote more time to your other business priorities.

Streamline Vendor Management

Choosing Fiserv eliminates the need to juggle multiple ATM vendor relationships. Your dedicated Fiserv Relationship Manager serves as one point of contact to coordinate all aspects of your customized ATM program. This advocate for your ATM business will direct the involvement of vendors and harness the power of Fiserv on your behalf.

Strengthen Compliance and Security

It's easier to keep up with industry standards and fraud prevention when we do the work for you. Outsource to Fiserv and be assured of vigilant attention to requirements and security threats. Our advanced solutions help

you stay compliant and enable safe ATM transactions. We provide:

- Virus and malware protection
- Windows software maintenance patches
- Point-to-point encryption
- Full EMV support
- Anti-skimming solutions
- Mandated compliance reviews

Manage Costs with Ease

Fiserv helps you budget for ATM expenses and easily manage upgrades or expansion of your ATM fleet. You'll receive one convenient consolidated monthly bill for all ATM-related services, software and hardware. Need new equipment? Our purchasing power can help minimize your capital investment. We can even spread the expense across the term of your contract to eliminate up-front capital expenditures.

Build Your Brand

Every ATM transaction is an opportunity to strengthen cardholder connections. Acquire the ability to provide a better ATM experience and attract new business with our enhanced ATM functionality. Through our on-screen marketing capability, we can help you promote other services and deepen existing cardholder relationships.

Fiserv is driving innovation in Payments, Processing Services, Risk & Compliance, Customer & Channel Management and Insights & Optimization. Our solutions help clients deliver financial services at the speed of life to enhance the way people live and work today. Visit fiserv.com to learn more.

Maximize Your ATM Revenue

Our solution passes 100 percent of ATM interchange and surcharge income back to you. Grow your ATM revenues as your cardholders experience increased uptime and an enhanced experience across your ATM network.

Access Top Technology and a First Class Team

Optimize your fleet with insights from our experience driving tens of thousands of ATMs and our deep bench of industry experts. We can help you select the best equipment, software applications and services for your ATM locations.

Turn Your Attention to Growth Initiatives

Achieve a new level of efficiency in meeting customer demand, protecting cardholder privacy, and generating revenues. Best of all, you can focus resources on strategic initiatives and strengthening your customer relationships.

Key Benefits

- ATM Managed Services protects your ATM investments and your cardholders while making your job easier.
- Simplify compliance activities, and keep up with rapidly changing regulations. Our compliance experts apply tools and resources that reduce risks related to ATM operations.
- Protect your reputation and reduce financial loss due to fraud. We provide anti-skimming support, ATM monitoring, and a data encryption service that goes beyond PIN numbers.

A Trusted and Reliable Partner

Fiserv offers the stability you seek in a vendor. We can help you benefit from our size and scale. Our experience in the industry makes us an ideal steward for your ATM business.
