

Five Reasons to Choose Financial Messaging From Fiserv

Cross-border payments are expected to surge over the next few years as the economy becomes increasingly global and interconnected. However, until recently, only the largest financial institutions have been able to afford SWIFT messaging services.

That's where Financial Messaging from Fiserv comes in. Here's why Financial Messaging using SWIFT is the right solution for small- to mid-sized financial institutions.

It's Affordable

SWIFT services, financial messages and access to the correspondent banking network **at a reasonable cost**

1

2

It's Fully Supported

Managed by Fiserv with 24/7 support and minimal capital investment

It's Integrated

Seamless integration to Fiserv services such as Enterprise Payments Platform from Fiserv; integration support for any back office processes requiring SWIFT messaging

3

4

It's Competitive

A **global reach** for your business that drives revenue, customer retention and compliance

It's Secure

All communication is **encrypted and protected** by two-way authenticated transport layer security sessions
