

PPP LENDING WITH ATLAS: POWERFUL & PROVEN

Atlas is a complete digital solution from StreetShares for PPP lending that allows Minority Depository Institutions (MDIs) to process up to **25 PPP loan applications for FREE.**

- **Rewarding Borrower Journey**

From invitation through education to application, PPP borrowers will be delighted. Your branding.

- **Rewarding Lender Journey**

PPP lenders have easy-to-use but powerful dashboards. Intuitive, logical, time-saving. Full reporting.

- **Digital SBA Integration**

Built-in and ready to use.

- **Rich Resources**

Complete knowledge center and communication platform so you can always stay one step ahead of your borrowers.

- **Atlas Does Even More**

Easily leverage Atlas beyond PPP: business lending, business lines, SBA, and beyond.

Contact your Fiserv client partner today to take advantage of this special offer for MDIs. The initiative is sponsored by Back2Business, a Fiserv program designed to strengthen small businesses in targeted communities. For more information, visit [fiserv.com/back2business](https://www.fiserv.com/back2business).

25 Free
PPP loan applications for MDIs

fiserv. in partnership with

Note: This limited-time offer is available to the first 100 eligible lenders that sign an agreement for Atlas PPP services between 1/04/2021 and 3/31/2021. To be eligible, a lender must be an MDI, Community Development Financial Institution (CDFI), or Community Development Entity (CDE). No charge for the first 25 PPP loan applications; PPP loan applications after the first 25 are subject to the charges contained in the applicable agreement. Terms and conditions apply. © 2021 StreetShares, Inc.
